ATTENDANCE Policies & Procedures

STUDENT HOURS AT SCHOOL: 7:20 AM – 2:50 PM

Attendance Office-425 936-2440

Safe Arrival Number - 425-936-2441

Because our students need to be supervised in a safe environment, we have developed the following policies for students on campus. Students are required to understand this material and will be held accountable for their actions and/or behaviors.

ARRIVAL & DEPARTURE

- Many students are eager to be at school. Because of this, they arrive at school too early and/or stay too long beyond the end of classes. Student supervision begins at 7:20. Therefore, students are not to be on campus prior to 7:20 before school or after 2:30 at the end of the school day, unless they are under the direct supervision of an adult or are involved in a school-sanctioned club or athletic event. At the end of the day, walkers are expected to leave campus by 2:30. Parents and guardians providing transportation need to pick up students by 2:30. School entrances will be locked at 3:30. Any school business occurring after 3:30 must be pre-arranged. Students participating in after school sports activities will not have access to the main building after 2:50.

ATTENDANCE

Missing school affects school performance. Attending school regularly will foster greater academic success. Once students arrive at school, they are required to remain on campus and attend each class, unless properly excused by the Attendance Office.

The school will determine whether absences or tardies are excused. Excused absences (based on Washington State Compulsory School Attendance and Admission Law, RCW 28A.225 also called “the Becca Bill” and LWSD policy) include the following: illness, medical appointments, family emergency, religious holiday, school related field trips, suspensions, or other pre-arranged absence. If insufficient reason for absence is provided, the absence will be considered unexcused.

SAFE ARRIVAL

Redmond Middle is committed to the Safe Arrival Program. When a student is going to be absent, parents must call the Safe Arrival line at 425.936-2441 (24 hours a day) prior to 8:00 AM when a student is going to be absent. If the parent or guardian has not called the safe arrival line, they should send a signed written excuse when the student returns to school or within two school days. If the student does not present an authorized excuse, the absence will be considered unexcused and the student will be reported as truant.

As mandated by State Law, the Becca Bill, students who accumulate five (5) unexcused absences in 30 days or ten (10) unexcused absences in a school year will be referred to the King County Juvenile Court System. The court may impose sanctions on either the student and/or the parent/guardian.

TARDIES

Tardiness is disruptive to the teaching/learning process and negatively effects student performance. All students must be in the appropriate classroom or locker room at the beginning of class. Unexcused tardies will be subject to progressive discipline. Teachers will assign lunch detentions for three tardies in a semester.

PRE-ARRANGED ABSENCE

Pre-arranged absence requests should be submitted to the Attendance Office as soon as absence dates are determined. Teachers are not required to provide school work in advance; however, students may check the Haiku site for assignments, and make up missing work upon their return. It should be understood that some schoolwork is difficult to duplicate away from class and such absences may affect student grades.

UNEXCUSED ABSENCE/BECCA BILL

Any absence that has not been deemed excused by the school will remain unexcused. Examples would include: oversleeping, missed bus, traffic, homework, shopping, babysitting, planned trips not pre-arranged through the office, or other absences that could be planned outside the school day. As mandated by Washington State law, the "Becca Bill", students who accumulate seven unexcused absences in 30 days or 10 unexcused absences in a school year will be referred to the King County Juvenile Court System. The Court may impose sanctions on the student and/or the parent or guardian.

SCHOOL DISMISSALS

If it is necessary for students to leave the school grounds due to illness or other emergency they must sign out at the Attendance Office. Dismissals for medical or dental appointments will be approved in the Attendance Office provided that the school office is notified in advance with a written notice or phone call. To obtain an early dismissal slip, students must bring their notice to the Attendance Office before the school day begins on the day they are to be dismissed. Parents must pick up their student at the Attendance Office upon their arrival at school and be prepared to show identification upon request.

GENERAL Policies & Procedures

ACADEMIC HONESTY POLICY

Any student who is found to be cheating, plagiarizing or copying on any test or assignment (including homework) will be required to complete a similar assignment /activity. Parents will be contacted, and disciplinary consequences may be imposed.

ACCIDENTS OR ILLNESS AT SCHOOL

The school will make every effort to inform parents of any accident or illness occurring at school that may need care or observation at home. No student will be sent home unless a parent, guardian or emergency contact has been notified.

AGENDA USE POLICY

Students will use agendas to record class work and homework on a daily basis. Teachers and parents should monitor this behavior to hold students accountable. To replace a lost agenda, students may purchase one at the Attendance Office.

ATHLETIC OR AFTER-SCHOOL EVENTS

Spectators are welcome. However, students are expected to sit in the stands in the gym/commons. Once students leave the event, they are expected to leave the school grounds. Spectators waiting for the game may not wait inside the school, unless they are under the direct supervision of an adult.

BACKPACKS

Students are allowed to carry backpacks to classes during the school day. They need to put backpacks in a safe spot when in classrooms and should be secured in a locked or monitored room when a student is not able to stay with his or her pack. Students should only be carrying around essential items needed for the school day in their backpacks. No wheeled backpacks are allowed. Backpacks need to be small enough to fit under a classroom chair.

CELL PHONES/OTHER ELECTRONIC DEVICES

Students must place all electronic devices and headphones in their backpacks between 7:50 and 2:20 and all devices must stay off and out of sight. An individual teacher may choose to allow music devices or phones in his/her classroom for a specific activity. The students **MUST** have all parts of the device and headphones put away in their backpacks when directed, and before leaving that classroom or they will be subject to the consequences below.

1st offense: Item will be confiscated and delivered to the student office. Item may be picked up by the student at the end of the day. Lunch detention will be assigned.

2nd offense: Item will be confiscated and delivered to the student office. Item must be picked up by a parent.

Further offenses will be handled by administrator.

Parents: *PLEASE DO NOT CONTACT YOUR STUDENT BY CELL PHONE during the school day!* You may call the office and we will be happy to deliver messages that are of an urgent nature. Students may also use the student phone in the office to contact home as needed. Redmond Middle School will not be held responsible for damage to, or loss of, such items brought to school that are unnecessary to the learning process.

CLOSED CAMPUS

Redmond Middle School is a closed campus, which means students cannot leave the school grounds once they have arrived (even before first period) or enter the campus grounds when absent without checking in at the Attendance Office. Closed campus also means that unauthorized visitors are not allowed.

COMPUTERS

Students must review and understand the LWSD Authorized Use Permit (AUP) at the beginning of the school year, and are expected to use caution and care when working at computers. No gum, water or food or any kind should be near any computer. Students are not to tamper with hardware (mice), screens, control panels, disk drives or printers. Restitution will be expected from anyone damaging a computer. Each student is asked to purchase his/her own USB drives, and not borrow from another student. Anyone erasing or taking the USB drive of another student will be charged with theft. Students using unauthorized software on school equipment will be charged with vandalism. LWSD On-Line and other networks are not to be used for illegal, harassing, inappropriate or obscene purposes. Such actions will not be tolerated and violators shall be subject to school discipline.

SOCIALS: Socials are sponsored by the ASB for the student body of RMS; only RMS students are permitted to attend school socials. Students must purchase tickets prior to the event as announced. No tickets are sold at the door for any reason. Most socials will be held immediately after school, and no one is allowed to leave the social until it is over unless the parent is present to pick up the student. Appropriate student conduct is expected and discipline policies/actions are the same as those for the regular school day.

DRESS CODE

To support our primary focus of education, we have established the following guidelines to limit distracting clothing and attire during the school day. Students are encouraged to consult with administrators prior to the school day, with no disciplinary consequences, if there is a concern about meeting the dress code standards. At any time during the school day, if any staff member considers an item to be in violation, the student will be expected to change clothes and progressive disciplinary action will result if the student fails to do so.

Primarily, we ask that student attire should be safe, appropriate, non-disruptive, and decent. To help define this concept, the following bullets have been added.

- Clothing, bandanas, bracelets and personal belongings should not display designs or messages about sex, drugs, alcohol, obscenity, gang affiliation, violence or harassment of any group.
- Revealing clothing is not permitted. No undergarments should be showing.
- Hats and hoods are not to be worn inside the school building, except for medical reasons.
- Spirit/Dress-up Days – Students who fully participate in these days are allowed to wear hats and clothing that is unique to that day style and costume, but common sense needs to be observed and students may be asked to change if attire does not follow our primary focus of safety, appropriateness, non-disruptiveness and decency.

FOOD and BEVERAGES

Water is the only allowable beverage to be consumed in classrooms. Snacks may be consumed in classrooms at appropriate times designated by teachers. Gum is not allowed in certain classes because of

safety concerns. Your teacher will let you know. Students who use gum to deface property or litter will be subject to school discipline.

HALL PASSES

Students must have an authorized pass when leaving the classroom. Red Grizzly Passes are used for quick trips to the restroom or to get a drink. Written passes are required for other movement around the building during class times.

HOMEWORK POLICY

Recognizing that our students participate in many family, church, school and community activities outside of school, we strive for balance in our approach to homework.

LOST AND FOUND

Lost and found clothing items can be found at the custodial office. Other items including watches, jewelry and wallets may be claimed at the Attendance Office. If items are labeled, every effort is made to return items to the student. Several times a year, the lost and found items are donated to a local charitable organization and notices of these occurrences are announced in the student daily bulletin.

LUNCHROOM GUIDELINES

1. Display appropriate behavior in the commons. We expect safe, respectful, and responsible behavior in all areas of the school.
2. Use restrooms in the main hall downstairs with adult permission.
3. Students are to sit down at their tables immediately after getting lunch or entering the lunchroom if bringing lunch from home. Students are to remain seated during lunch.
4. Adults will dismiss students by table once tables are clean. Students may remain in the commons to visit, go outside (weather permitting) or go to the library, but may not go back and forth between places.

LUNCH PROCEDURES

1. Stand in the correct line to purchase the food for lunch.
2. To purchase lunch using a lunch account, the student **must have their ASB/ ID card.**
3. Money can be deposited directly to the cafeteria with a personal check, phone or online.
4. Lunch is to be eaten only in the commons.

PERSONAL PROPERTY

Personal property brought to school is the responsibility of each student; the school is not responsible for loss or damages to personal property brought to school.

RESTRICTED AREAS

The wooded area of campus is off limits at all times. Students may not loiter in the wooded area or on streets adjacent to the school before or after school. Students not abiding by this policy will be disciplined.

SCHOOL BUS TRANSPORTATION

The driver is in full charge of the bus and is responsible for enforcement of the rules of conduct. Standard procedures of discipline will be followed for bus misconduct and may include termination of riding privilege. Students must have written parent permission and must obtain a bus pass from the Student Services Office in order to ride a bus other than the one to which they are regularly assigned. Additional rules and regulations will be provided by district drivers.

STUDENT FINE/FEE PROCEDURES

Students are issued, on loan, some items such as textbooks, library books and P.E. locks that are the property of LWSD. These items are expected to be returned in satisfactory condition at the end of the loan period. During the time an item is checked out to a student, it is the responsibility of that student. When loss or damage occurs, the student who had the item checked out is obligated to make restitution. To facilitate this, a fine list is processed at the end of each quarter. Sports and club clearances are withheld from any student owing a fine. Additionally, yearbooks will not be distributed to students owing fines, and a fee of \$10.00 will be assessed for checks returned for non-sufficient funds.

STUDENT USE OF OFFICE TELEPHONES

Students will be allowed to use the student phones located outside the Attendance Office and in the Student Services Office in an emergency under the direct supervision of a staff member. If a student is excused from class to use the telephone, he/she must report to a secretary with a signed pass. Students are reminded to use the phone with care.

STUDENT CONDUCT

Students will be required to conduct themselves in an appropriate manner while at school. Inappropriate conduct, including outward displays of affection, will be dealt with according to the school policies listed in the Behavior Expectations section of this handbook.

WHEELED VEHICLES

No skateboards, roller skates, roller blades or other items are to be on campus at any time; we have no secure area to store them. Bicycles may be ridden to/from school and bicycle racks are available for them to be locked to during the day. RMS is not responsible for damage or loss to student property, including bikes.

ATHLETICS

The Redmond Middle School athletic program plays an integral role in the total educational process of developing capabilities and providing a variety of opportunities for young people. An effective athletic program should enhance each participant mentally, emotionally and socially as well as physically. The mission of developing each individual's potential should be emphasized above and beyond achieving team results.

Interscholastic athletics in the LWSD are intended to provide opportunities for students to participate in structured and supervised programs that promote good sportsmanship and fair play in a competitive environment.

To maximize participation for all students, the middle school athletic program will be organized into three levels of competition: Varsity, Junior Varsity, and Regionals.

Intramurals do not involve competitions against other schools. Schools will determine the sports/activities that are offered. Each program will be open to all interested students.

BEHAVIOR EXPECTATIONS

SCHOOL PHILOSOPHY

We believe that students and staff at Redmond Middle School need an emotionally and physically safe environment. We believe students need friends, fun, opportunities to make decisions & choices, order and structure, positive reinforcement, acceptance, self-discipline, self-esteem, success, to be listened to and to know that someone cares for them. We also believe that all people can and will learn and that discipline is not separate from, but is a part of the learning process. The ultimate in discipline is self-discipline. Self-discipline happens when people learn to make wise, informed decisions.

The staff, students and parents of Redmond Middle School will work together to create an environment that enables every student to develop his/her unique academic, social and physical skills. One critical step in creating this positive environment is to provide students the opportunity and skills necessary to make wise choices concerning their actions. This self-discipline will result in positive consequences and a productive atmosphere at our school.

STUDENT AND STAFF RIGHTS

Each student has the right to:

- Expect that the school will strive to provide for the needs stated above;
- A productive learning environment;
- Expect adult support for learning and resolving problems;
- Be treated in a courteous and respectful manner by others.

Each staff member has the right to:

- Teach without behavioral interference from students;
- Be treated with respect and dignity;

All staff are responsible for:

- Providing for the needs of students and staff as stated above;
- Teaching students and assuring that all students have an opportunity to learn;
- Teaching school expectations and enforcing them in a firm, fair and consistent manner;

All parents/guardians are responsible for:

- Providing a safe and healthy environment;
- Creating a trusting atmosphere that encourages student responsibility;
- Supporting the educational process by serving as a resource for his/her student;
- Maintaining active communication with staff and student.

PROGRESSIVE CLASSROOM DISCIPLINE PROCEDURES

Our goal is to have all student behavior fall within the *General Behavior Expectations*. To clearly communicate these expectations, teachers yearly develop, post, and engage in teaching students how to successfully navigate the rules and regulations of the school and classroom.

When a disciplinary situation occurs, the following steps will be followed:

1. Student is made aware of inappropriate behavior.
2. Student identifies and displays a more appropriate behavior and fills out a reflection form, or repeats the unacceptable behavior.
3. If an unacceptable behavior is repeated, student will be issued a lunch detention by the teacher with parental notification.
4. Student misconduct of an extreme nature, or that is repeated, will require immediate action. The student will be removed from the classroom and directly referred to an administrator.
5. Further consequences will be determined by law, school district and building policies and the judgment of the administrator.

PROGRESSIVE ADMINISTRATIVE DISCIPLINE PROCEDURES

In situations which require administrative disciplinary action, the following procedures will be used: (Note: Anywhere in this document where the word principal is used, the principal, assistant principal or his/her designee applies.)

1. Conference with student. The student will be given an opportunity to provide information and be informed of any accusation against him/her.

2. Consequences will be administered on a progressive basis. However, the principal reserves the right to alter or move to any stage of disciplinary action when deemed appropriate.
 - a) Principal conference
 - b) Principal conference, parent notification, detention or campus clean-up/community service
 - c) Principal conference, parent notification, short term suspension (1 – 10 days in-house or out of school)
 - d) Principal conference, parent notification or conference, long term suspension (11 – 90 days)
 - e) Expulsion
3. Principal conference with parent and student may be required upon the student' s return from a suspension.

APPEAL PROCEDURES

1. Inform student and parent of appeal procedure.
 - a) A suspension of ten days or less may be appealed to the principal within 3 business days.
 - b) A suspension of eleven days or more may be appealed to the district hearing officer.
2. Inform parents of decision and procedures for requesting a hearing.
3. Formal appeal information will be provided by a building administrator upon request or at any time a long term suspension is issued.

POSSIBLE CONSEQUENCES FOR VIOLATION OF EXPECTATIONS:

Time out or Systematic Exclusion: Student is temporarily removed from the classroom or activity.

Removal of Privileges: Student privileges are removed. Examples: sports activities, club activities, small group meetings, hall passes, field trips, cafeteria use, etc.

Detention: Student is detained by a teacher or school administrator before or after school. One-day notice, verbally or by e-mail, will be given unless earlier arrangements are made with parents and the student. Student and parents are responsible for transportation.

Lunch Detention: Student is assigned a 30-minute detention during the lunch period. Students bring their lunch immediately to a designated table away from peers that is supervised by an adult. Students eat in silence and after eating, help custodians clean the lunch room and tables for the next lunch.

Probation/Behavior Contract: Student is placed on a contract & is told what the next consequence will be for similar offense.

Class Suspension: Student is removed for a maximum of two days from a specified class or classes. Classroom teacher is responsible for notifying parents. Consequence may be assigned by an administrator.

In-School Suspension: The student is permitted to remain in school, but is maintained in a room apart from the general school population. The student is not allowed to attend classes, but is afforded the opportunity to work on daily assignments. Teachers provide assignments. Students may not stay after school or attend evening activities on days assigned to In-House Suspension. Inappropriate behavior will result in short or long term suspension.

Short-Term Suspension: Administered by a building principal, students are removed from school for one to ten days. Parents are contacted by phone, if possible, and the student is sent home. Formal notification, in writing, is also given. Students may not come back on campus during or after the school day for the duration of the suspension.

Long-Term Suspension: Administered by a building principal, students are removed from school for eleven or more school days. This suspension is subject to the district level appeal process. Formal notification is made in writing. Students may not come back on campus during or after the school day for the duration of the suspension.

Emergency Expulsion: Student is removed from school when he/she is considered a danger to himself/herself or others, or is considered an immediate threat to the educational process. Formal notification is made in writing. The expulsion is subject to the district level appeal process but the student is not allowed to return to school pending the appeal.
