Respond Yes or No to the two Wellness Screening Questions for each of your students then click Save.

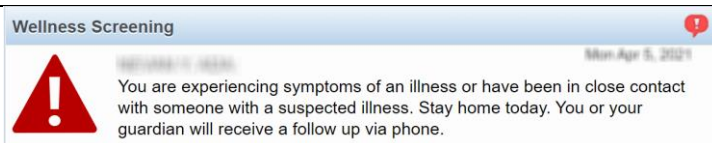

A green check mark means your student can come to school today.

Based on your responses, you can come to school today.

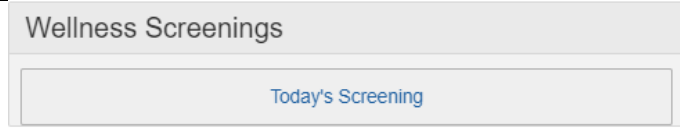

A red alert means your student is experiencing symptoms or has been in close contact with someone with a suspected illness. Your student should stay home today.

Alternatively, if you have a phone, you can use the Skyward mobile app to access the Wellness Screening questions.

A guardian must first download the Skyward Mobile App. There are directions on how to download the app here: <https://www.lwsd.org/help/skyward-family-access>

Select your student.  
Scroll down the screen until you find the Wellness Screenings section. Tap on Today's Screening.

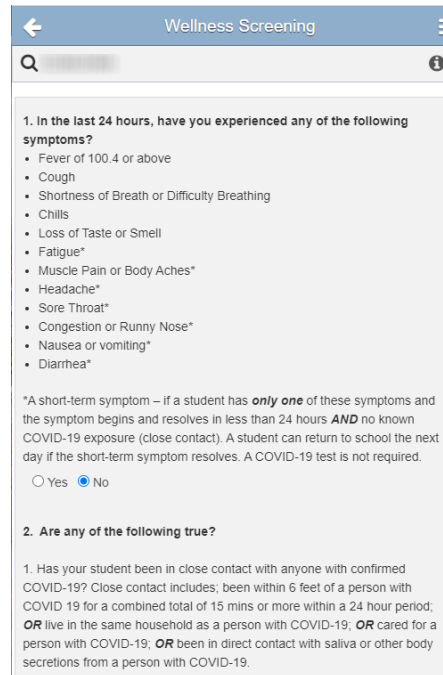

Respond Yes or No to the two Wellness Screening Questions then tap Submit.

If you have more than one student, tap the name of your student at the top of the page and select another student.

Respond to the Wellness Screening Questions.

Repeat until you've submitted responses for all your students.

A green check mark means your student can come to school today.

Based on your responses, you can come to school today.

A red alert means your student is experiencing symptoms or has been in close contact with someone with a suspected illness. Your student should stay home today.

You are experiencing symptoms of an illness or have been in close contact with someone with a suspected illness. Stay home today. You or your guardian will receive a follow up via phone.
